Dear Carol (et al):

Could you run your eyes over the attached doc and let me know if you see problems? It looked ok to me.

Graeme

Dear Graeme,

Could you verify that the expectations outlined in the attached "CSW Site Visit Process and Expectations" document these expectations are acceptable to you and your department?

We will be getting back to you very shortly regarding details of with whom we would like to meet as well as the departmental survey.

All best,  
Valerie
