

Teaching and Learning Physics --- Final Class Survey

Structure of the Class

The amount of work for this class is:

- i) Too little a little too little just right **3.3** a little too much way too much
 ii) Less than others a little less the same **3.1** more than others way more

	<u>Excellent</u>		<u>adequate</u>		<u>not enough</u>
I get enough feedback: 4.8	5	4	3	2	1
Accessibility of instructor 5.0	5	4	3	2	1
Opportunity to participate in class: 4.8	5	4	3	2	1

How **useful** to me is this class: **4.9** extremely (5.0) somewhat not at all (1.0)

How **enjoyable** is this class: **5.0** extremely somewhat not at all

How much did you learn: **5.0** a great deal something nothing at all

How much ownership did you have: (ie. how much say did you have on what happened):
4.0 a great deal (5.0) something none (1.0)

I recommend this class to others: **5.0** enthusiastically (5.0) maybe never (1.0)

The department should offers this course in the future:
5.0 they must maybe definitely not (1.0)

Are you considering becoming a teacher / educator:
 Yes I'm already enrolled very likely **3.8** possibly, probably not never

The content of this class:

Physics: **4.3** Useful (5.0) neutral (3.0) hateful (1.0)

Edu. Readings: **4.9** Useful (5.0) neutral (3.0) hateful (1.0)

Fieldwork/ Project **4.9** Useful (5.0) neutral (3.0) hateful (1.0)

<u>Homework (usefulness)</u>	<u>Useful</u>		<u>neutral</u>		<u>hateful</u>
Reading summary: 4.4	5	4	3	2	1
Online Discussion: 4.5	5	4	3	2	1
Content Problems (HRW) analysis: 4.1	5	4	3	2	1
Fieldnotes: 4.5	5	4	3	2	1

Things I would like to definitely remain:

To be coded.

Things I would like to change

To be coded

Other comments: (such as favorite and least favorite parts of class).

To be coded.
