

Research Participants Needed

Are you...

at least 18 years old and
currently or previously involved in an
interracial domestic violence
relationship?

The Interracial Domestic Abuse Project
wants to learn more about the experiences of
women who've been in interracial abusive relationships

Specifically, we would like to interview
adult women who have been in
a violent relationship with
an **intimate partner of a different race or ethnicity**

- We will meet you at a time and place that works for you
 - We will keep what you tell us PRIVATE
- The interview is not for therapeutic or counseling services; it will be conducted only to gather information

Interested? Have questions?

Call the ***Interracial Domestic Abuse Project*** at

303-492-8864

Information about **the project** and **the researchers** is also available at
<http://spot.colorado.edu/~potterh/IDAprject>

Your opinions and experiences matter! Please take the time to share them with us.
